FNS Bancshares, Inc. and FNB Bank Introduce New Executive Roles

Scottsboro, AL (4/30/2019) – President & CEO Steve Rownd announced that Tobey Eskew, CPA, has joined FNB Bank and FNS Bancshares as EVP/Chief Financial Officer. Steve Beard will assume leadership in the newly created role of EVP/Chief Operating and Client Experience Officer.

According to Rownd, both appointments are related to the bank's focus on growth. "We are excited to have Tobey Eskew join our leadership team. As our bank continues to grow, it is important that FNB attracts new talent at every level. Tobey will be a great addition and help us navigate through existing and future opportunities. Likewise, long term executive Steve Beard can now focus on the critical role of improving our client service and operational efficiency. Both of these roles are keys to our future success."

Mr. Beard has served FNB Bank as Chief Financial Officer since 2004 and has 32 years of service with the bank. Mr. Eskew began his career in public accounting before assuming roles as Director of SEC reporting for a manufacturing company and Controller and Chief Accounting officer for two publically-traded banks.
